Time to get off.

My place.
DAMNIT!

Then I'll be taking the bus back.
Thanks for treating me to hotpot tonight, bye-bye.

.....

It's rather late, I don't want to trouble you.

It's only seven, that's late?
It's late!

Since it's so late, then you stay here.

He's clearly up to no good. I won't put my punches

But, his sofa here is so comfy..

We aren't on the same wavelength!!!
Maybe we aren't even on the same planet either...

This has got to be a misunderstanding! A misunderstanding!
I don't believe so

You have to believe, because that's the truth.
I know you want me and still refuse me.

Just what are you thinking?

I want to have a love affair with you.

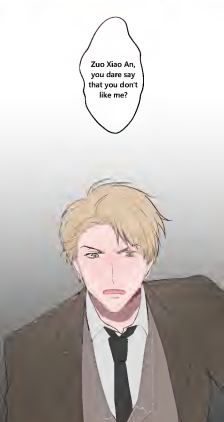
But I don't want to!
stand

You don't want to?

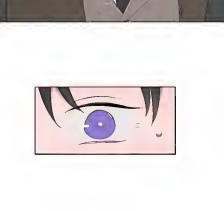
Before,

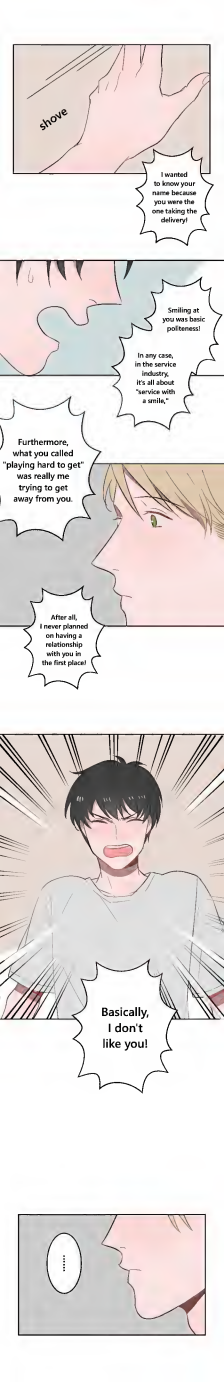
Then why did you want to know my name so much?

Smiling at me all the time, playing hard to get



Zuo Xiao An, you dare say that you don't like me?

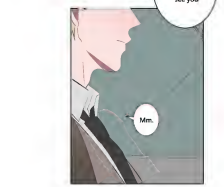




shove
I wanted to know your name because you were the one taking the delivery!
Smiling at you was basic politeness!
In any case, in the service industry, it's all about "service with a smile."
Furthermore, what you called "playing hard to get" was really me trying to get away from you.
After all, I never planned on having a relationship with you in the first place!
Basically, I don't like you!
.....

In order to avoid incidents like this in the future.

Thanks for dropping me off
Take care driving see you



Mm.
